HOLIDAY GIFT GIVING MADE EASY

Oh, What Fun it is

Our pets are an essential part of the holiday season, adding joy & warmth to our celebrations and making spirits bright. It's heartwarming to watch pets revel in the festivities with their wagging tails and bright eyes, reminding us that the magic of the season touches every family member, including those with paws & whiskers.

Pupkin Spice & Everything Nice

This seasonal blend is the ideal autumn treat for spoiling your best friend. Our Pupkin Spice blend is elevated with warm flavourful hints of pumpkin and cinnamon. Whether your pal enjoys romping through freshly raked leaves or curling up in their favourite sweater and binge-watching television, this blend will surely fuel their fall.
